– **Game Leader Program for U6–U8 Players**

We are excited to inform the rollout of the new Long Term Player Development (LTPD) Technical program being delivered by the OS. The objective of the Game Leader Program is to allow for an improved, child-friendly approach to supervising small sided games for children U6–U8 and creating more opportunities for parents to get involved. The Game Leader Program has been designed by OS Grassroots, Referee and Coaching departments. It is supported and endorsed by the Canadian Soccer Association.

The Game Leader will be trained to achieve a few objectives on the field:

1. Enable children to have a fun and rewarding experience while competing in small sided games.
2. Ensure player safety.
3. Implement simplified rules while keeping the game moving, thus limiting stoppages and assisting the young players with all restarts.

Game Leader Training Course:

Completing the Game Leader training is very simple. The online process consists of watching the video, completing the quiz, printing your Game Leader Certificate and Booklet. Furthermore, it should take no longer than 35 minutes to complete. It is mandatory for all coaches in U6–U8 age groups and it is a cost free tool. Please sign in the link below and use the Club's code: "panthers2018" – Your HL Convenor will guide you through the process.

U7/8 age groups have may have their Coach dependent practice at 9:30am with a 10am game. League Cup games (U13–U16) will now take place over the last weekend of August. – Field sizes/Nets Sizes: https://www.ontariosoccer.net/news_article/show/744883?referrer_id=3069015

Following the OS Recreational and Development MATRIX, NMSC is placing the players in the correct fields/nets based on the stage of development and the playing format. The city of Mississauga has been upgrading the majority of the fields and nets. All fields and nets will be correct by 2019.

– Picture Weekend & Fun-Day/League Cup Finals

Pictures will be taken at Marco Muzzo Sr. Park on June 16th & 17th.

Times for your team will be announced closer to the day on your family Calendar in the registration system.

The Fun Day (U4–U16) and League Cup Finals (U14–U16) will take place on August 25th & 26th. Schedule to follow.

Please note that U19 Boys & Girls League Cup is on August 18th.

– Zero Tolerance for Abuse or Harassment

Parents and players are reminded that recreational soccer is about FUN. The club has a Zero Tolerance Policy for abuse and harassment of referees, coaches, players and spectators. Please see our website for more details.

http://nmsc.net/wp-content/uploads/2016/11/zero_tolerance_policy.pdf

– Inclement Weather

All games for all ages are played rain or shine. If a heavy rainfall occurs, the City of Mississauga may close the fields we play on. If fields are closed by the City, games will be cancelled and only rescheduled if part of a division (U13+) played their games. If fields are being closed, the City will give us notice by **4 pm** each day.

We will post field status on our website at our website.

For thunderstorms, we will strictly observe the 30/30 rule. If the “flash to bang” is less than 30 seconds, play will be suspended for 30 minutes timed from the last flash observation. If the game can then not be completed within the available daylight, the game will be considered complete if play had already commenced in the second half.

In U9+ divisions, the referee decides the course of action in consultation with both coaches. Parents may of course at any time take any reasonable action they deem appropriate for the safety of their child.

- Team Balancing

While every effort has been made to put balanced teams onto the field at the start of season re-balancing may occur up to 4 games into the season. Players involved in any re-balancing will be asked to 'swap' jerseys.

- Team Matching Rule

If a team has a shortage of players, summer rules apply. For U14 and older, the game may be played if both teams have at least 7 players. Both teams will play with equally reduced numbers up to 11 players. For U7 - U10, 5 players are required and both teams will play with equal numbers from 5 to 7 players. For U11-U12, 7 players are required and both teams will play with equal numbers from 7-9.

https://www.nmsc.net/wp-content/uploads/2016/11/nmsc_rules_regs.pdf

- Equal Time Policy

All players are entitled to their fair share of playing time. We have a policy of "equal" time for all, subject to the practical considerations of the timing of substitution opportunities, player fitness and other factors. Coaches are simply not to play or favour some players more than others nor are they to "stack" their lineup or "shorten their bench" to gain a competitive advantage over the teams they are playing. Our program is about participation and having fun and while winning is always "nice", it's not to be at the cost of excluding any player. Teams that engage in inappropriate behaviour may be penalized in the season's standings or tournament results.

https://www.nmsc.net/wp-content/uploads/2016/11/nmsc_rules_regs.pdf

- Player Uniforms

Uniforms are supplied by Macron. All players will receive, as part of their registration fees, a team jersey, a pair of shorts, a pair of socks and a soccer ball. Each player must also wear shin pads and cleats to all games and practices. As uniforms are ordered without knowing the players, it is possible the fit is not the best. We ask that teams and parents make do as best they can. In certain circumstances, replacements will be provided out of inventory or by order. Please have your coach contact the Club.

- Refunds

A refund may be requested **before** the start of the second game. **NO** refunds will be given after the second game has been played. All refunds are subject to a \$40 administration fee. Refunds must be submitted using the NMSC refund form and submitted to the office. All approved refunds will be issued by cheque.

House League Panther Development Program (PDP)

The goal of the PDP program is to develop the players in a fun, safe organized and educational environment. We at NMSC want to promote the beautiful game to our House League Coaches and Players, inspiring them to continue their development.

The North Mississauga Soccer Club's Development Curriculum includes the Panther Development Program (PDP) for House League players and goalkeepers (U7+) as well as coaches in the U4 - U19 divisions. The PDP program provides players, goalkeepers and coaches of our house league teams with an excellent opportunity to develop their soccer skills and experience in the game. It also helps our Mentor Coaches to identify players and coaching talent that will form the future Club representative teams. The PDP takes place during the Club's outdoor season with indoor winter program continuation.

- All players must register and pay the nominal fee of \$50 (TAX INCLUDED).
- Players and Goalkeepers can register online at: <https://nmsc.powerupsports.com/index.php?page=LOGIN>

– **Healthy Snack Policy:**

In light of the fact that obesity and nutritional deficiency–related diseases are on the rise in North America, the North Mississauga Soccer Club feels that promotion and modelling of healthy eating habits and balanced lifestyles to members of our Club can play a crucial part in this issue. Whether as Players, Team Officials, Match Officials or as Supporters we all have a part to play. With the support of The OSA Club Excellence program, we are committed to helping improve the well–being of our community and in doing so have implemented a Healthy Snack Policy since April 2012.

Children learn about healthy eating at school, but they need a supportive environment, both at home and in the community to help put those lessons into action. The North Mississauga Soccer Club can help make this happen. Community sports also provides adults with an opportunity to become role models for healthy eating. Please take the time to consider appropriate half-time snacks, pre- and post-game meals as well as treats. The North Mississauga Soccer Club Healthy Snack Policy is maintained regardless of:

- Playing level (Competitive or Recreational)
- Location (Home or Away) or
- Purpose (Match, Training).

A Healthy Snack Policy empowers participants to nourish their bodies appropriately and limit ingredients that will impede performance or wellness.

For further information on providing proper nutrition and maintaining a balanced lifestyle, please check the links on our website.
