WHAT YOU NEED TO KNOW

How it All Works

- **When you arrive - Players will check-in and receive a barcode card**
 - Each player is to provide their barcode card to the photographer right before having their photo taken
 - Once all individual photographs are complete, the team will be assembled for their group photo
- **There are NO order forms to be filled out...**
 - Everything is done electronically on site at the Sales Counter
- **To expedite the process, on-line ordering or proofs are not services we provide**
 - We choose the best image of each player
 - **Orders must be placed and paid for on the day of the shoot** so that we can process the orders, and return the photos to you quickly
 - We accept **cash, Visa, MasterCard or Debit...**

The Ordering Process

- Taxes are included in the prices shown within the attached "Product Price Menu"
- Parents simply give the player's name to the cashier and advise what items they would like to order!
- Orders are returned to the league within 3 weeks and the league will distribute
