

Step 1:

How to Register for a PlayMetrics Account

In order to register for a program with the North Mississauga Soccer Club, you will need to register for a PlayMetrics account first. The steps below show how to create your PlayMetrics account through a registration URL on the club website on the program description.

A. Click or tap the registration URL link (or copy and paste it into your browser) and fill out the appropriate information. Enter the email address and password you would like to use for your account.

B. Click or tap the **Create Account** button to create your account.

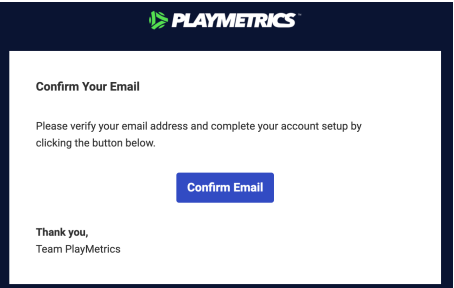

The screenshot shows the PlayMetrics registration interface. At the top, the PlayMetrics logo is on the left, and the North Mississauga Soccer Club logo is in the center. Below the logos, the text "Let's set up your PlayMetrics account." is displayed. There are two input fields: "Email Address" and "Create Password". The "Create Password" field has a strength indicator and a toggle for visibility. Below the fields, a note states: "Passwords must be at least 8 characters long with a mix of letters (lower and uppercase), numbers, and special characters. Empty spaces also can be used." A link for "Terms of Use and Privacy Notice" is provided. A blue "Create Account" button is at the bottom of the form. Below the form, a grey box contains the text "Already have a PlayMetrics account?" and a grey "Login" button.

C. The system will send a verification email to the email address you entered for you to confirm your email address. The email will come from noreply@reg.playmetrics.com with the subject line "Verify Your PlayMetrics Account".

D. Click the **Confirm Email** button to verify your email address and complete your account setup.

E. After verifying your email address, you will be prompted to enter your contact information to complete your parent or guardian account.

The screenshot shows the "Confirm Your Email" page. It features the PlayMetrics logo at the top. The main heading is "Confirm Your Email". Below it, a message says: "Please verify your email address and complete your account setup by clicking the button below." A blue "Confirm Email" button is centered. At the bottom, it says "Thank you, Team PlayMetrics".

Step 2:

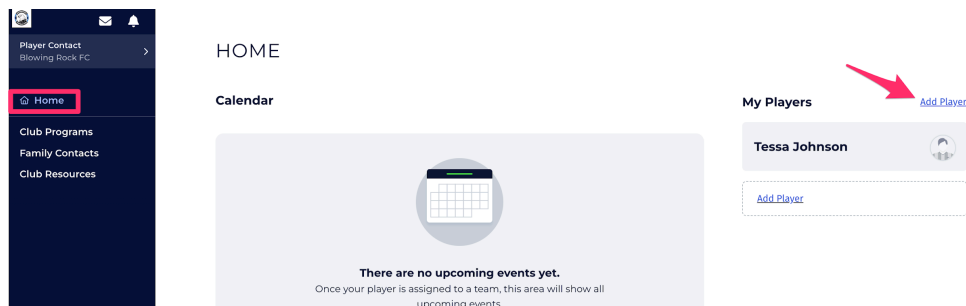

How to Add a Player under your Account

As a player parent/guardian, you have the ability to add players to your account as needed.

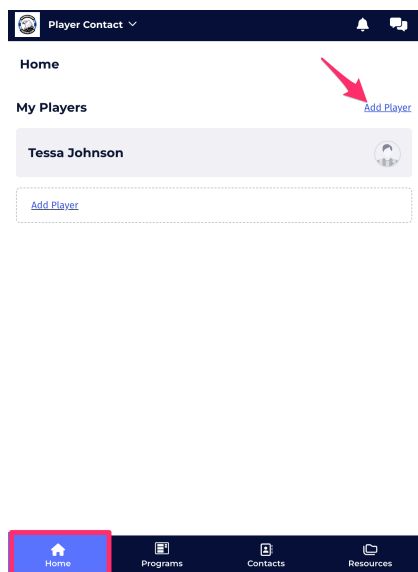

Adding a New Player

- A. In your player contact role, navigate to **Home** in the left-hand menu.
- B. Click the **Add Player** hyperlink on the right side of your screen.

Desktop View:

Mobile View:

- C. Provide your player's name, birthdate, and gender. If you need to add multiple children at once, you can click **Add Another Player** and continue adding their information. After you are finished, click the **Add Player(s)** button.

Add Players

You will be the primary contact for the players you add. You can grant access to other members in your family later on.

First Name
Last Name

Henry
Johnson

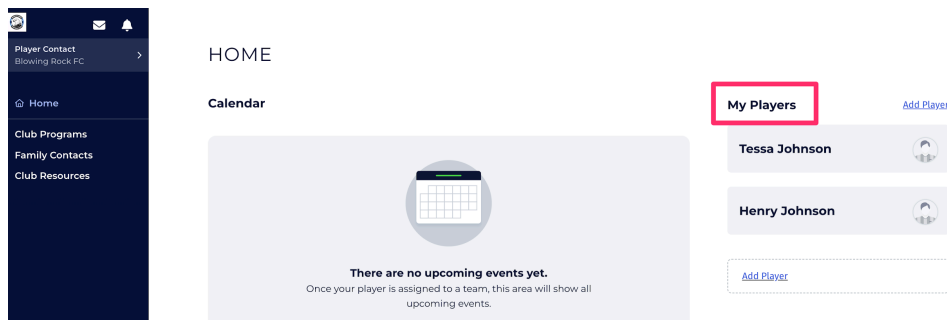

Date of Birth
Gender

3/15/2017
Male
Female

Add another player

Cancel
Add Players

- D. The menu closes and you are returned to the Home page in your account. The newly added player(s) appears in your list of players on the right-hand side of the screen.

Once you have added your players, based on the player information provided, you will be shown a list of programs available to each player.

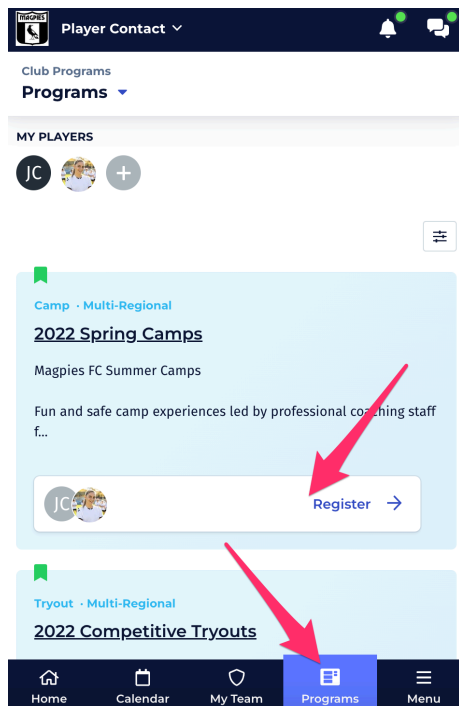

Step 3: Registering for a Program

As a Player Contact, you will be able to see featured programs

- from your home screen or can navigate to **Club Programs** from the left-hand menu to view the list of programs that are available for your Player. If you are in the PlayMetrics mobile app tap "**Programs**" in the bottom menu to view the available programs. Only the programs that your current Players are eligible for will appear in the list of programs. Click on the appropriate program to begin the registration process.
- Click **REGISTER**.

Note: If the player to be registered does not appear in your account, use the "**Add Players**" link to add the necessary players.

Details:

Format: Technical coaches will lead fun, game-based soccer activities, including dribbling and running with the ball, as well as small-sided games (2v2, 3v3, 4v4, 5v5) within each player's training group.

Sessions are designed to keep players moving, smiling, and actively involved from start to finish.

Focus: Players having fun while developing their physical literacy and continuing their growth across the four corners of the LTPD. Through imaginative, play-based games, players are introduced to basic

Proceed to Registration →

- D. Read the information section thoroughly before completing the player registration.
- E. Answer all questions in the The Player and Program section as it will collect important information.

- F. Volunteer interest is taken at this time. Please note: Our recreational programs are volunteer led from U10-U18. marking yes will require you to enter contact information for the selected volunteer role.
